

## Cookie Policy for the Fennies Fresh App

### WHAT ARE COOKIES

As is common practice with almost all professional apps, this app uses cookies, which are tiny files that are downloaded to your device, to improve your experience. This page describes what information they gather, how we use it and why we sometimes need to store these cookies. We will also share how you can prevent these cookies from being stored however this may downgrade or 'break' certain elements of the sites functionality.

For more general information on cookies see the Wikipedia article on HTTP Cookies.

### HOW WE USE COOKIES

We use cookies for a variety of reasons detailed below. Unfortunately, in most cases there are no industry standard options for disabling cookies without completely disabling the functionality and features they add to this app. It is recommended that you leave on all cookies if you are not sure whether you need them or not in case, they are used to provide a service that you use.

### DISABLING COOKIES

You can prevent the setting of cookies by adjusting the settings on your browser (see your browser Help for how to do this). Be aware that disabling cookies will affect the functionality of this app. Disabling cookies will usually result in also disabling certain functionality and features of this app. Therefore, it is recommended that you do not disable cookies.

### THE COOKIES WE SET

We use cookies when you are logged in so that we can remember this fact. This prevents you from having to log in every single time you visit a new page. These cookies are typically removed or cleared when you log out to ensure that you can only access restricted features and areas when logged in.

When you submit data through a form such as those found on contact pages or comment forms cookies may be set to remember your user details for future correspondence.

In order to provide you with a great experience on this site we provide the functionality to set your preferences for how this app runs when you use it. In order to remember your preferences, we need to set cookies so that this information can be called whenever you interact with a page that is affected by your preferences.

### THIRD PARTY COOKIES

In some special cases we also use cookies provided by trusted third parties. The following section details which third party cookies you might encounter through this app.

This app uses Google Analytics which is one of the most widespread and trusted analytics solution on the web for helping us to understand how you use the app and ways that we can improve your experience. These cookies may track things such as how long you spend on the app and the pages that you visit so we can continue to produce engaging content.

For more information on Google Analytics cookies, see the official Google Analytics page.

Third party analytics are used to track and measure usage of this app so that we can continue to produce engaging content. These cookies may track things such as how long you spend on the app or the pages you visit which helps us to understand how we can improve the app for you.

From time to time we test new features and make subtle changes to the way that the app is delivered. When we are still testing new features, these cookies may be used to ensure that you receive a consistent experience whilst on the app whilst ensuring we understand which optimisations our users appreciate the most.

As we sell products it's important for us to understand statistics about how many of the visitors to our app actually make a purchase and as such this is the kind of data that these cookies will track. This is important to you as it means that we can accurately make business predictions that allow us to monitor our advertising and product costs to ensure the best possible price.

The Google AdSense service we use to serve advertising uses a DoubleClick cookie to serve more relevant ads across the web and limit the number of times that a given ad is shown to you.

For more information on Google AdSense see the official Google AdSense privacy FAQ.

Several partners advertise on our behalf and affiliate tracking cookies simply allow us to see if our customers have come to the app through one of our partner sites so that we can credit them appropriately and where applicable allow our affiliate partners to provide any bonus that they may provide you for making a purchase.

We also use social media buttons and/or plugins on this app that allow you to connect with your social network in various ways. For these to work the following social media sites including; Facebook, will set cookies through our app which may be used to enhance your profile on their site or contribute to the data they hold for various purposes outlined in their respective privacy policies.

#### MORE INFORMATION

Hopefully that has clarified things for you and as was previously mentioned if there is something that you aren't sure whether you need or not it's usually safer to leave cookies enabled in case it does interact with one of the features you use on our app. However, if you are still looking for more information than you can contact us through one of our preferred contact methods.
